Personal Portfolio Website

Tech: HTML, CSS, JavaScript | **Features:** Modern UI, Responsive Design, Dark Mode, Animations, Contact Form

StudyShare Platform

Tech: React | **Features:** Authentication UI, Resource Management, Search, Filtering, Dashboard

Image Gallery Web App

Tech: HTML, CSS, JavaScript | **Features:** Search, Filters, Fullscreen Preview, Favorites, Slideshow, Downloads

Music Player

Tech: HTML, CSS, JavaScript | **Features:** Playlist, Shuffle, Repeat, Volume Control, Progress Bar, Autoplay

Calculator

Tech: HTML, CSS, JavaScript | **Features:** Responsive UI, Keyboard Support, Modern Design

PROFESSIONAL EXPERIENCE

Frontend Web Development Intern

CodeAlpha (Remote Internship)

- Developed responsive, interactive web applications using HTML, CSS, JavaScript, and React.
- Built reusable frontend components following modern development standards.
- Implemented responsive layouts for desktop, tablet, and mobile devices.
- Debugged and optimized applications to improve performance and user experience.
- Collaborated on tasks, used Git/GitHub for version control, and delivered projects on deadline.

ACHIEVEMENTS

- Successfully developed multiple responsive web applications using modern technologies.
- Continuously improving React, Node.js, Express.js, MongoDB, and Full Stack development skills.
- Passionate about learning new technologies and writing clean, maintainable code.

INTERESTS

Frontend Development, Full Stack Development, Web Technologies, UI/UX Design, Open Source, Artificial Intelligence, Software Engineering
